

# 3D P&T Heads

## Polecam Embraces 3D HD

Using a different P&T head can convert your Polecam into a formidable 3D HD Rig.

Get amazing sweeping shots in 3D HD.

Small size head allows you to get right in where the action is.

Quick and easy to set up.

3D HD cameras and interchangeable lenses.

## *f e a t u r e s*

- Alternative Polecam head featuring dual side by side camera mounting cradle.
- Available in two sizes - narrow and wide.
- Fits straight on to the standard Polecam.
- Mini cameras are small enough to match normal human eye spacing.
- Camera levelling adjustment plates available to complement 3D head allowing vertical position adjustment of one camera to match the other.
